Customer Supplied Dimensions

By signing below, you confirm that Konkus Marble and Granite is fabricating from your supplied dimensions. A template was not provided by any of our employees, therefore you are 100% liable for any pieces that need to be refabricated or reworked based on the dimensions provided here. Your signature and dimensions on this document are required to begin the fabrication process.

A drawing with exact fabrication dimensions is required in the box below. This drawing includes any needed overhang(s). Please note the following if applicable on the drawing below.

- Areas with finished edges and specific edge details noted with an X
- Sink set-back
- Radius corners called out and size given
- Location and number of faucet hole(s), grommet hole(s) etc.
- Sink centerlines
- Any other important information for the fabrication of your piece(s)

YOU WILL RECEIVE EXACTLY WHAT IS DRAWN BELOW
